INDEPENDENT AUDITOR'S REPORT

To the Managing Members
Spartan Capital Securities, LLC
New York, New York

We have audited the accompanying statement of financial condition of Spartan Capital Securities, LLC as of December 31, 2009, and the related statements of operations, changes in member's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Spartan Capital Securities, LLC at December 31, 2009, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule 1 and 2 are presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. This schedule is the responsibility of the Company's management. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Company's operations consist primarily of engaging in agency and riskless principal transactions and providing investment banking services. As a full-service brokerage firm, the Company offers a wide array of products to its clients. The Company also acts as a municipal securities broker and also offers private placements and participates in public offerings as both an underwriter and selling group member. The Company also earns fee from banking and market advisory services. Revenues are derived primarily from commission income.

These financial statements are presented on the accrual basis of accounting.

Revenue and Expense Recognition from Securities Transactions

Securities transactions and the related income and expenses are recorded on the trade-date basis.

Significant Credit Risk and Estimates

As a registered broker-dealer, the Company is subject to regular reviews and inspections by regulatory authorities and self-regulatory organizations.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management of the Company to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Company maintains its cash balances in various financial institutions. These balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per institution. As of December 31, 2009 the uninsured balances total \$579,641.

Income Taxes

The Company has adopted FASB Staff Position No. FIN 48-3, which has been updated by FASB ASU No. 2009-06 for exempted non-public entities. Pursuant to the FASB ASU update the company has not recognized any interest or penalty expense in this financial statement for any uncertain tax position. In addition, the Company does not expect any material changes to its basis of accounting for uncertain tax positions within the next twelve (12) months.

2. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3

3. RELATED PARTY TRANSACTIONS

The Company is obligated to Spartan Capital holdings, LLC, its parent, under an administrative services agreement. The agreement provides the Company with the non-exclusive right to use office space and all office fixtures and equipment suitable and customary for the conduct of its activities and certain operating expenses. Accordingly, this liability is recorded on the balance sheet as an accrued expenditure. If the future amount is in excess of this accrual all additional assessments will be reflected in the fiscal year in which the claims are settled.

The Company, pursuant to clearance agreements, introduces all of its securities transactions to clearing brokers on a fully-disclosed basis. All of the customers' money balances and long and short security positions are carried on the books of the clearing brokers. In accordance with the clearing agreement, the Company has agreed to indemnify the clearing broker for losses, which the clearing broker may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing broker monitor collateral on customers' accounts. As of December 31, 2009 the Company is liable to the clearing broker for unsecured customer debits in the amount of \$19,383.
